The coach will focus on proper form and technique and teach participants how to exercise in a fun and safe way. Parents must be participating in the class and cannot drop off children. Parents, also please use your discretion and only bring children that are able to positively and safely participate without distracting others.

## GUTS & GLUTES 45

## GYM FIT 45

## MEN'S RIPPED 45

This men's-only fitness class combines dynamic movement, strength training, and athletic drills to push you to your peak. Build muscle, boost endurance, and sharpen agility in a high-energy, results-driven environment. (Sorry ladies, this is only for the guys. ## STRETCH 45

Your instructor will guide you through various stretches that will improve your mobility and flexibility for total body wellness.
