JNCC PICKLEBALL COURT RULES

- The side of the court nearest the deck is considered "home" side and will serve first.
- Games are played to 11, "Side-out scoring". Meaning you only win points on your serve.
- Must have appropriate attire (Closed toe shoes, Shirt, and Shorts/Pants)

REMEMBER THE "2 BOUNCE RULE" AND THE KITCHEN RULES

- After the serve, both teams must let the ball bounce once before hitting it. This is known as the "double bounce rule." Once each team has allowed the ball to bounce, players can then volley the ball (hit it out of the air without letting it bounce) or hit it after it bounces.
- Players cannot volley the ball (hit the ball out of the air) while standing in the kitchen. If a player steps into the kitchen while volleying the ball, it is considered a fault. However, players are allowed to step into the kitchen to hit the ball after it has bounced.
